

THE ELIASON® SCP-15

Proving Great Taste Is Not Only On The Menu.

THE ELIASON® SCP-15 RESTAURANT DOOR

When it comes to generating restaurant profits, we know cost, taste and variety matter. That's why Eliason® is proud to offer the value priced SCP-15 Restaurant Door. This sleek, thin-profile door features quality, high-impact materials, and the Eliason® patented Hidden Hinge based on the Easy Swing® hinge, proven to be the smoothest-operating and most reliable hinge available. Choose from a wide selection of colors and options. So get ready to upgrade your restaurant's décor and appeal with the SCP-15 from Eliason®.

The Eliason® SCP-15 Door

product features
& specifications

Great Taste is not just on the menu.

- The Eliason® SCP-15 restaurant door is the value-priced door with great taste that will enhance your restaurant's décor and appeal.
- The SCP-15 features our patented Hidden Hinge and flush mounted window. This unique combination creates a sleek, attractive door panel that will complement any décor.
- The patented Hidden Hinge system is based on the Eliason Easy Swing® hinge - the easiest to install, smoothest-operating, most reliable double acting door hinge available.
- Eliason® SCP-15 doors are available in a virtually unlimited variety of high pressure laminate (HPL) colors and patterns, so let your imagination run wild!
