Mounting Hardware

Goff's Curtains come complete with mounting hardware!

For smooth, easy movement all curtain systems come complete with a heavy duty 16 gauge galvanized steel track and roller hook system.

Goff's unique Universal Track Splice allows for suspend, face, or flush mounting. Goff's will send you the proper assortment of hardware for your dimensions and layout.

Floor Mount Hardware Also Available! All hardware carries a limited lifetime warranty. For a complete list of hardware please visit www.goffscurtainwalls.com/curtain-walls/curtain-wall-hardware

Options & Accessories

Goff's Curtain Walls can be equipped with a number of accessories and add-on's

Floor Mount Wind Ties – Easy to fasten tie downs are sewn directly onto the bottom of the curtain. Available in 2 models.

Filter Panels – Easily removable and replaceable in 2 sizes: 2' x 4' or 4' x 4'. Filter sections are reinforced via a nylon scrim pattern.

Strip Door – 3' wide x 7' high replaceable strip door sewn directly into the curtain.

Valance Panels – Stationary custom vinyl pieces manufactured to any size to seal area above the curtain. Perfect for slanted ceilings.

Floor Sweep Attachment – 6" replaceable vinyl piece to seal the gap between the Curtain Wall's bottom and the floor. Perfect for pitched floors.

Curtain Wall Cleaner & Shield – Shield All provides a semi-transparent, protective coating. Cleaner is a safe and effective way to clean the entire Curtain Wall without damaging the vinyl.

Steel Rollers – Recommended for curtains over 15' high

Vinyl Mesh – 11 oz, 17 x 11 mesh scrim available for improved airflow.

Custom Logos – Personalize your curtain with your company logo or slogan. Custom priced based on size, colors and quantity.
